SENT ON BEHALF OF JIM PAHL:

Subject: Gulf Coast Vulnerability Assessment - Approved for Distribution

Dear colleagues:

Please find the attached file which is the recently approved version for distribution of the *Gulf Coast Vulnerability Assessment – Mangrove, Tidal Emergent Marsh, Barrier Islands, and Oyster Reef*. A group of habitat and taxa experts worked together to develop this timely and informative document. We hope this publication will provide you information useful for your future work.

Cheers,

Mark Woodrey
